Dear Parents,

Thank you for considering The Lakes At El Segundo Junior Golf Camp for your child this summer. Our goal is to provide a safe and fun filled environment so that your kids may learn and enjoy this wonderful game.

The camp will be broken into 4 different groups. This format enables us to give each child more specified instruction as well as keep kids with relative ages and skill levels together. Each group will have the opportunity to work in each of 4 stations:

- **Putting**
- **Chipping, Pitching, Sand**
- **Full Swing**
- **Games and Projects**

Additionally, after lunch, each group will spend time out on our 9-hole golf course ensuring that everyone will learn to "play the game." On Friday, each junior will play all 9 holes.

SIGN UP IN ADVANCE. Past camps have run to capacity. If you are interested in attending 1 or more of our camps, please reserve a spot soon! Thank you again for considering the Lakes Junior Golf Program. We hope to see you out on the links.
